Patient Financial Policy

In the interest of good communication and our continued commitment to provide high quality chiropractic care, we have established a Patient Financial Policy.

We are committed to supporting you in understanding your spinal health and will always present you with the best recommendations to treat your personal situation. To make these services affordable we are pleased to offer you the following payment options:

1. Cash
2. Check
3. Visa, MasterCard, Discover, American Express

We will, as a courtesy, process your in-network insurance benefits in our office. All questions regarding your insurance benefits must be addressed to your insurance carrier.

MEDICAID and MEDICARE do not cover exams or x-rays. The cost of these services will be the patient's responsibility, which is due at time of service.

THESE EXAMS ARE \$80, INFANT EXAMS ARE \$100.

There is no guarantee that a supplemental insurance will cover these charges.

X-ray cost depends on which region of the spine is x-rayed as well as how many views are taken.

Missed or cancelled appointments may be subject to a \$25 "**no show fee**" if our office does not receive 24 business hour notice.

Most out of network insurance policies will be billed for you. However, patients will be responsible for payment for services rendered at time of service, and your insurance will reimburse you depending on your out of network benefits. This payment is due at time of service.

I agree that I am fully responsible for the total payment of all procedures performed in this office – this includes any treatment that is not a benefit of any insurance that I may have. I understand that any estimated portion is due at time of service for all services rendered. I understand that payment not provided at time of service is subject to a **\$5 late payment fee**.

Late Appointment Policy

If you are an established patient and arrive late to your appointment, you will likely be asked to reschedule unless the doctor's schedule can still accommodate you. Priority will be given to the patients who arrive on time. One or two late patients cause the entire daily schedule to fall behind, which is an inconvenience for other patients. We strive to see each patient as close to their scheduled appointment time as possible.

The same terms apply if you arrive late to a massage appointment. You may be asked to reschedule at the discretion of the massage therapist.

Cancellation Policy

We ask that if you need to reschedule or cancel your appointment, you notify our office at least **24 hours** in advance. When a patient does not call in advance, they may be preventing another patient from getting much needed treatment due to a seemingly full schedule.

Missed Appointment or "No-Show" Policy

While we make every effort to provide reminder text alerts and e-mails, it is your responsibility to remember your appointment. We charge a \$25 missed appointment fee to patients who do not keep their scheduled appointment or who cancel less than 24 hours in advance. This fee is not covered by your insurance company.

A \$50 no show fee will be charged for a missed massage appointment.

We want you to know how your Patient Health Information is going to be used in this office and your rights concerning those records. Before we will begin any health care operation, we must require you to read and sign this consent form stating that you understand and agree with how your records will be used. If you would like to have a more detailed account of our policies and procedures concerning the privacy of your Patient Health information we encourage you to read the HIPPA NOTICE that is available to you at the front desk before signing this consent.

1. The patient understands and agrees to allow this chiropractic office to use their Patient Health Information (PHI) for the purpose of treatment, payment, healthcare operations, and coordination of care. 3. A patient's written request consent need only be obtained one time for all subsequent care given the patient in this office.
4. The patient may provide a written request to revoke consent at any time during care. This would not affect the use of those records for the care given prior to the written request to revoke consent but would apply to any care given after the request has been presented.
5. For your security and right to privacy, all staff has been trained in the area of patient record privacy and a privacy officer has been designated to enforce those procedures in our office. We have taken all precautions that are known by this office to assure that your records are not readily available to those who do not need them.
6. Patients have the right to file a formal complaint with our privacy official about any possible violations of these policies and procedures.
